## **Dedication**

Traditionally, **The Tiger** dedicates the year's edition to a Staff member who has given many years of devotion and spirit to the school. **The 1981 Tiger** is dedicated to three such individuals.

Mr. Donald Grace, Guidance Counselor, retired in February, 1981. Born in Pittsfield, Vermont, Mr. Grace received the degree of Bachelor of Science in Education from Fitchburg State College. He also attended the University of Massachusetts and Springfield College. After serving in the Navy from 1942 to 1945, Mr. Grace entered the System in 1947.

His first position was at Chestnut Junior High. In 1962 he was appointed as a Guidance Counselor and came to Tech. In 1972 Mr. Grace left Tech to become the Coordinator of the Project Career Information Center. He returned to our Guidance Department in 1974. He coordinated the Career Guidance Center at Tech from 1975 to 1978, when he again returned to Guidance.

As his name implies, Mr. Grace is considered beloved and dear. We truly shall miss him.

Mrs. Helen B. Jones, a member of the Science Department since 1961, retired June 30, 1980. Born in Dalton, Massachusetts, she graduated from Classical High School. Mrs. Jones received a Bachelor of Arts and Master of Arts in Education degrees from American International College. Prior to coming to Tech, Mrs. Jones substituted in the System from 1958 to 1960. She also taught at the Springfield Hebrew Day School on a part time basis from 1960 to 1961.

Because of illness, Mrs. Jones was on leave during the past school year. Those who have had the good fortune of knowing her will remember her as having taken delight in teaching the subject of Physics. We wish her well, that she may enjoy her retirement.

Mr. William C. Kennedy, Assistant Principal since October 13, 1970, retired on August 31, 1980. Born in Chicopee, Massachusetts, Mr. Kennedy received a Bachelor of Science degree and Fitchburg State, a Master of Art from Columbia University and a Certificate of Advanced Graduate Studies from Springfield College. Mr. Kennedy served in the Air Force. He taught in the Granville, Chicopee and Valley Stream, New York systems prior to accepting a position in the Mathematics Department at Duggan Junior High in 1958. Mr. Kennedy came to Tech's Math Department in 1959 and became a Counselor in February, 1965. He served as Acting Assistant Principal and Acting Principal before being appointed as a Permanent Assistant Principal in 1970.

Mr. Kennedy will be remembered as an easy going man who thought of everyone as "pal." His devotion to the student body and Staff is a quality that will be remembered.

# Where direction is given,

# Where enthusiasm is spread.

Many Tech students join some kind of activity and really get involved. Many teachers make these clubs possible by donating their time to our students. These students learn much from the different activities and have a lot of fun at the same time. Students involved in the activities represent Tech and we are proud of them.

SUPPORT YOUR CHEERLEADERS! Left to Right: Karen Eady, Lisa Bobbitt, Lynn Johnston, Tonja Meadows, Co-Captain Marla Early, Captain Tawanda Hardy, Cathie Gould, Karen Tucker.

# Tech Spirit! Let's Here It!

A highlight of the school year is a rally. Usually held during 7th period, students are given the opportunity to exhibit **TECH SPIRIT** during school hours. Orange and Black Forever!!!

# Roller Derby

This Fall the Senior Class decided that the parking lot could be used in a more positive fashion, namely, to raise money for the Seniors. The idea proved to be a fun time and a financial success.

## Band

The Tiger Band may be small, but it is well known at Tech. These individuals work very hard, under the direction of Mr. Melikian. The Band performs at rallies, assemblies and the school's annual Talent-Fashion Show.

## **Chorus**

Mr. Melikian is also the director of the school's chorus. Another small organization, the chorus has been invited to perform at Baystate West and Eastfield Mall. During their Christmas performances the members brought cheer to the young and old in the audience. The chorus also performs at Graduation.

## Audio•Visual Aides

Mr. Melikian is the advisor for the Audio/Visual Aide group. A.V.A. provides the school with projectors, films, record players and the various media. If help is needed, A.V.A. is there.

Unfortunately, when the photography session was held, none of the A.V.A. members were present. **The TIGER** Staff would like to take the opportunity to recognize these members: Patrick Shea, Thomas Shea, and Frederick Spann.

1. BAND: Front Row: William Valentin, Peter Ferraro, Fred Spann, Ronnie Glenn, Luis Chaplin. Back Row: Barry Thomas, Frank Collins, Rafael Rodriguez, Jim Domaingue. Absent: Donald Carter, Michael Carter, Steve Carter, Lee Kowarsky. 2. CHORUS: Front Row: Vanessa Dunston, Barbara Brown, Charlene Precanico, Tanya Chase. Middle Row: Trina Byrd, Angela Williams, Judy Grimes, Yolanda Lowe. Back Row: Darryl Grandison, Grafton Catwell, Joe Burwell. Absent: Sherry Westbrook, Lynn Johnston, Betty Rawlins.

## Cafeteria Aides

The life of the cafeteria aid is not an easy one. Each aide has a given responsibility and must perform that responsibility efficiently in order for the three lunch sessions to run smoothly. Handling money is no easy task if one cannot compute quickly and accurately. Those whose responsibilities deal directly with food service and maintenance must meet similar demands. All work together with the adults to make the lunches run like clockwork.

CAFETERIA AIDES: Ann Simard, Ed Nieves, Diane Arena, Barbara Maynard, Daniel Bissonnette, Mary Waterman, Cathie Gould.

The Office Aids work during a free period to help out the ladies in the office. They perform many tasks such as file, run errands, make phone calls, and tidy up the office. They are hardworking students and are appreciated by the adults.

FRONT ROW: Charlie Brunnell. BACK ROW: Richard Stepanian, Bruce Arnold, Kelley Glenn, Gloria Jones, Awilda Rivas, Yvette Brown, Debbie Gebo.

Sam Robinson, our only Library Aide, has been on the job for four years. His tasks are many. Sam keeps the books and shelves organized and clean. He also lends a hand if someone needs help. Sam's hard work and organization is a definite asset, and Mr. Murphy appreciates his help.

The School Store Aides help Mr. McGrath during the lunch periods. They sell school supplies and keep the Store neat and organized. There are three Aides. Present for the Photograph is Darryl Williams.

## In Control

ROTC has been a part of Tech since 1966. The Corps consists of cadets who play an important part in making ROTC what it is. Chief Master Sargeant Henry Palmer and Colonel William Potter are the guiding force behind ROTC.

The group has made annual trips to Truro Air Force Base at Cape Cod, where senior cadets go for officer orientation; to Bradley Field Air Museum to introduce freshmen cadets to different aircrafts: and to Federal Aviation Authority where junior cadets learn about aircraft regulations. The biggest annual trip is to McGuire Air Force Base in New Jersey, where cadets spend an exciting week experienceing Air Force life. The last annual trip is to New London Coast Guard Academy, where incoming seniors see what an Academy installation is like.

R.O.T.C. Senior Class

-Front Row Left - Right; Maria Gonzalez, Dawn Kinnear, Margarita Treadwell, Tracey Wallace, Sandra Gonzalez, Mana Vasquez, Jannel Rivera, and Lisa Bobbitt. Second Row; Sgt. Palmer, Selisia Whetstone, Millie Westmoreland, Tangela Covington, Margret Jones, Kris Drzal, and Col. Potter. Third Row; Jose Morales, Jack Serrizina, Chris McNealy, Charles Farris, John McNeil, Jim Rosso, and Tim Singleton. Fourth Row; Jorge Bryant, Greg Topolski, Dale Richardson, Bill Maldanado, and Craig Holmes. Back Row; Thomas H. Brown, Michael Jurkowski.

R.O.T.C. Junior Class

Front Row Left-Right; Ardelia Munford, Debra Griffin, Lydia Martinez, Madelyn Cortez, Migdalia Irrizarry, Miriam Rodriguez, Elizabeth Quinones, Myra Morales, Lorita McNeil, Debbie Jones. Second Row: Gary Merchant, Chan Reed, Walter Cheeks, Juan Santana, Eric Jones, Michael Dailey, Gerhard Davis, Mark Decoteaux. Third Row: Roy Lee, Stephanie Murchison, Maria Ortiz, Tonya Mayes, Vincent Seibles, Edward Failey. Forth Row: James Thompson, Robert Foster, Alvin Brown, Adolph Forbes, Pete Rivas. Back Row: Richard Rodriguez, CMS. Henry B. Palmer, Lt. Col. William Potter, Warren Smith, Matthew Reed.

ROTC has been an honor unit for six consecutive years, placing them in the top 5% of the ROTC units in the country. Each year that they are chosen as an honor unit, ROTC is able to appoint three cadets to each academy in a special unit with a four year fully paid scholarship.

The ROTC member learns pride and how to be a good Air Force Cadet. The cadets are required to wear the ROTC uniforms once a week at which time they are inspected and graded. Cadets are able to earn ribbons and rank by joining various activities within the corps as well as performing well on his assigned jobs.

On January 14, 1981 the ROTC held its Seventh Annual Military Ball. A formal event, the Ball was once again a great success. All cadets who attended and their guests enjoyed a great time. Music was provided by the Coast Guard Band, a group from the Coast Guard Academy of New London Connecticut. Crowned Miss Military Ball this year was Migdalia Negroa.

As in the past, Colonel Potter and Sargeant Palmer organized a successful, classy affair. However, the

men are quick to acknowledge that Cadet officers helped greatly.

Fourth row: Tangela Covington, Debra Vielleuve, Tony Barnett, Bill Maldenado, Greg Topolski, Jim Rosso. Back Row; Michael Jurkowski, Sargeant Palmer, Craig Holmes.

On December 13, 1980 the ROTC Drill Team hosted the first New England Regional Drill Competition, which was held at the Holyoke National Guard Armory. The competition, which began at 10:00 a.m., lasted until 3:30 that afternoon. Other ROTC teams came from all over Massachusetts and included Army and Navy representation, as well as other Air Force Units. The drill teams were judged on originality, difficulty and precision of ovements. All commands are made by silent gesture or tapping. The judges for the competition were from Norwich Military a School in Vermont. The head judge was James Anderson, a 1979 graduate of Tech, now a student at Norwich.

On January 17, 1981 ROTC attended a second drill competition, at Tiverton, Rhode Island. Although Chief Palmer entered only one team, the Blue Bengals, this unit performed superbly, to take first place in the male team with rifles cata-

gory.

# FOREVER PRESENT, FOREVER WORKING!

THE TECHNICAL HIGH SCHOOL STUDENT COUNCIL: SEATED IN FRONT ROW: Debbie Berritto, Michelle Waterman, Russ Chamberlain, Richard Soto, Marcia Vanhorn, Gina Ginsberg, KNEELING IN ROW 2: Deona Blanton, Aida Cintron, Maria Gonzalez, Lorita McNeil, Charlene Precanico, Kendra Edmonds, Barbara Brown, Sandra Gonzalez.

BACK ROW: Debra Villeneuve, Mary Waterman, Sherrie McCoy, Doris Neale, Karen Eady, Chris Culhane, Chris Drzal, Pamela White, Todd Culhane, Chris Dessaso, Marla Early, Jay Bryant, Jim Dowd, Gary Lusty, Pete Rivas.

## IN APPRECIATION

The **TIGER STAFF** dedicates this page to those who worked so diligently with the Student Council for the Toys for Tots campaign. Students arranged for drop off centers at different places such as King's, McCrory's, all of the Big Y stores in the area, Sixteen Acres Garden Center, and many more. As an incentive, Tech students were given "gifts" in return for making a toy donation. An hour was dropped from an individual's detention time for every toy brought in. A free box of popcorn was given in exchange for a toy. All overdue book charges were erased if a toy was brought in to the City Library.

At the end of the drive, a scrap book of all of the things that Tech did during the campaign was submitted. Every participating school passed one in, and all of these were judged. Once again, Technical High School won first place! The school was awarded \$750.00, which will be used for school activities.

Aside from being financially richer, Tech students are also richer in another sense. The collection of over 5,000 toys for distribution to needy youngsters in the area makes all well aware of the Tech student body's desire to help the less fortunate. Tech students truly understand the meaning of Christmas.

## Electronics/Oceanography

Two specialized clubs at Tech are the Oceanography and Electronics Clubs. Both are advised by Mr. Hough of the Science Department. Mr. Hough, who developed the Oceanography Class, has watched interest grow in this popular study during the past 7 years. A major highlight of the school year for this Club's members is a field trip for the purpose of whale watching. Mr. Hough feels that the club is very beneficial to the students' education, and enjoys presenting this subject to them. The Electronics Club is in its first year of existence. Club members meet before and after school to work on individual computer and electronics projects. Students have been assigned to local banks and businesses, voluntarily working at computer projects at these locations.

Electronics: Eddie Whitley, Gene Lee, Chris McNeeley, Scott Sanderson, Fred Spann.

Oceanography: Seated: Tony McDonough, Greg Lockwood, Awilda Santiago, Dianne Jenkins, Richard Lopez. Standing: Ivan Oliver, Jeff Lockwood, Johnny Ross.

## **Honor Society**

The Technical High School Chapter of the National Honor Society was chartered in 1959, succeeding the former Pro Merito Society. Membership is based on scholarship and character. Since grades are cumulative, the average for the year determines eligibility. The advantage of belonging to the National Honor Society is the opportunity to win scholarship for college through competitive examination. Three year honor members are awarded a certificate, a pin, and a gold tassel to wear on their caps at graduation.

**SENIOR HONOR SOCIETY:** Front: Linda Labbe, Candy Bohn, Barbara Gilbert, Beth Campbell, Cassandra Teel. **Back:** Scott Sanderson, Kenneth Theriault.

JUNIOR HONOR SOCIETY: Front: Steven Niemic, Michelle Waterman, Norma Thomas, Juan Galindez, Kathy Keeney. Back: Mark Gooden, Mark Dyer, Alvin McKenzie, Henry Pagan, Peter Ferraro, Bruce Jacques.

## LIGHT UP THE NIGHT

In early November, Mr. Watson and his Drama Class once again presented the annual talent fashion show. This year's show, LIGHT UP THE NIGHT, proved to be another fun and financially successful event. The house was filled both nights.

The students practiced long and hard, both in and out of school, to iron out problems that the snow had had. Lighting had to be just right, the P.A. system had to be in working order. Everyone had to know what his job was and when to do it. Unforseen problems had to be worked out. All the hard work paid off, and the students who participated could be proud of a job well done. Many thanks for bringing such a fine show to our school.

## All The News That's Fit To Print!

## **TECH NEWS**

The Tech News Editorial Staff, under the direction of Editorial Advisor Mrs. Heyl, is probably the only high school news staff in the state that gathers the news, writes it, makes the paste-up, and then, under the direction of Print Teacher Mr. DiDomenico, makes the negative, the picture halftones, the goldenrod, does the opaquing, makes the printing plate, does the printing, and finally the distributing. And then it starts all over again.

The Business Staff, under the leadership of Mr. Wallace, has kept the paper supplied with ads.

TECH NEWS encourages contributions from students in the form of editorials, news items, pictures, sports items, poetry and cartoons. The Staff considers TECH NEWS to be your paper and will give you credit for your contributions.

The importance of getting a paper out every month puts pressure on the staff at deadline time. It is at this time that the decisions have to be made about what goes in, what stays out and what changes have to be made in order for all of the material to fit. Then the scissors and the paste come out and the paper is readied for printing.

The **TECH NEWS** staff has tried to make a copy available to each student.

1. Editorial Staff: James King, Editor; Marcia Van Horn, William Maldonado, Fernando Tereso, Mrs. Heyl, Advisor. Absent were Business Staff members Kendra Edmonds and Jeff Hardy.

2. Art Consultant, Mr. Forgue.

3. The Silent Partner-Printing Advisor, Mr. DiDomenico.

4. Financial Advisor, Mr. Wallace

## **Resident Historians**

When Mrs. Metzidakis and Mr. Pieciak took over **The TIGER** last year, their goal was to compile an accurate and permanent record of the given school year, but not go bankrupt in the process. The same goal was theirs this year.

The yearbook staff consists of 6 students who worked in a joint effort to put out the annual edition. This was no easy task. Yet those who took part were provided with training and experience in reporting, in photography, in designing layouts and in fund raising. Students develop scope and careful organizational skills.

1. Tiger Staff: Deona Blanton, Debbie Berritto, Jay Bryant, Y'vette Brown, Angela Moore. ABSENT: Jocelyn Borski. 2. Jocelyn Borski makes picture selections. 3. "E-nee Me-nee ..." 4. Angela and Y'vette organize. Mrs. Metzidakis and Mr. Pieciak break from conference to pose.

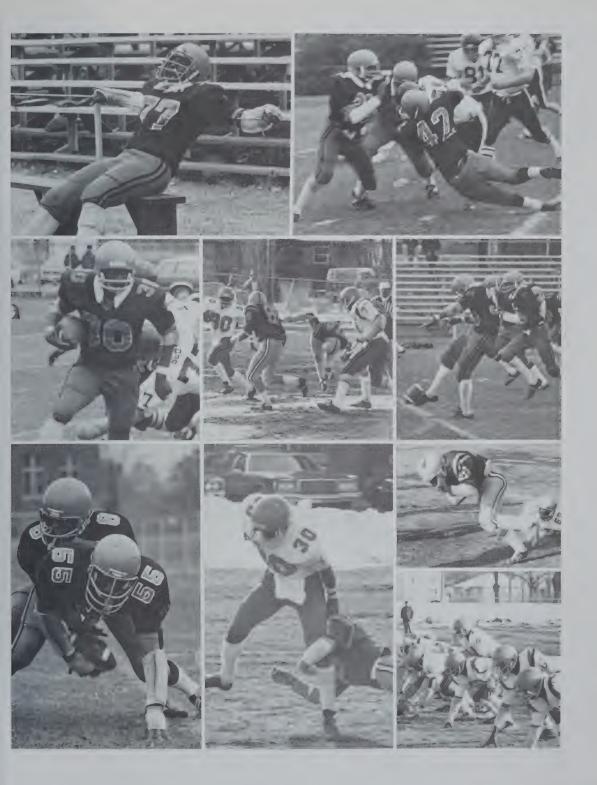

## **Football**

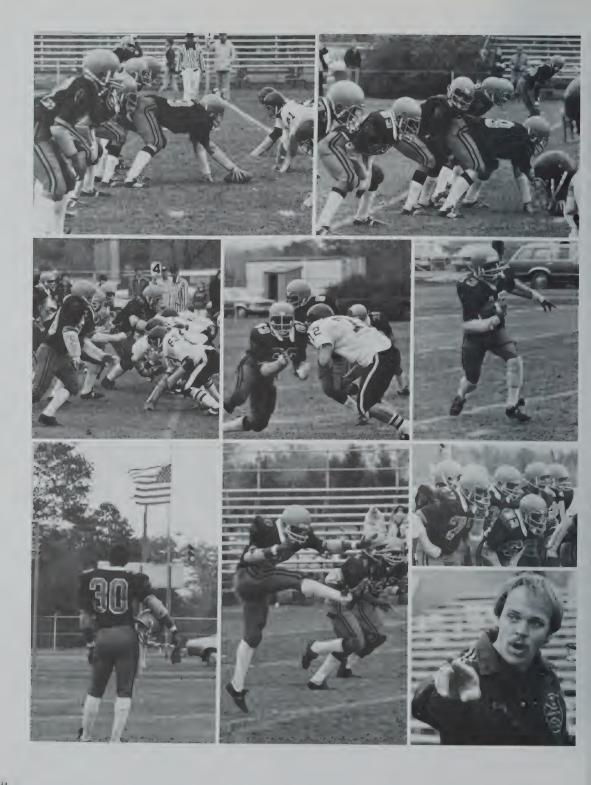

Although Tech's Football Team had another disappointing season, they never quit. The team played more than half of the scheduled games with just 18 players. Doing the best it could with what it had, Tech finished the season with a 0-9 record. The squad had a few bright spots in its performance, and it always hung tough. The team has had, and will continue to have our support.

## LOVE!!!

The 1980 Tennis Team had great hopes for the 1980 season. Many promising veterans were coming back. But, like the other 1980 Spring Sports Teams, the Tennis Team was hurt by the Teachers' Strike. Although its season did not turn out as well as expected, the team did the best it could with what it had. Mr. Combs served (no pun intended) as Tennis Coach.

## TRACK STARS

The 1980 Track Team did fairly well, considering its size. The season started with 30 people. Then the Springfield Teachers' Strike occurred, and the Team's size dropped to 20. But with a lot of effort by Team members and great coaching by Mr. Ted Dutkiewicz, Track ended with a .500 season and with a 7-7 record. The Team placed fourth in the Western Mass. Track Championship. Some of the outstanding participants were Gary O'Neal, who placed first in the 100 yard dash, and super sophomore Mark Gooden, who held a first place in the 120 high hurdles and a second in the high jump. But we also cannot forget about the 440 relay team, consisting of Gary O'Neal, JessieWebb, Jonathan Holmes and Tyrone Farris, who won back to back championships in 1979 and 1980. The Team's Tri-Captains were Rick Moultrie, Richard White, and Jonathan Holmes.

## BATTER UP!!!

Tech's 1980 Baseball Team had an excellent season with Coach Howie Burns. The Team's record was 11 wins and 5 loses. The men were dedicated and wanted very much to win. Although they lost the quarterfinals in the Western Massachusetts Tournament, they had some great efforts by standing Team members Rafael Zavala and catcher Ken Lord, both of whom made All Western Mass First Team. Although many players will be lost due to graduation, the Team hopes to make a comeback for the 1981 season.

### DAYLIGHT/MOONLIGHT

Ever wonder why some people do not stay after school? It may be that the person has a job or some other activity that demands his attention after 2:10. **THE TIGER** staff interviewed some of these people and reports that an after school job is not limited just to students. Most of the students who responded to our survey seemed to work in food services. The faculty members seemed to favor giving attention to an activity that has been theirs for some time. No matter what the activity, there is money to be made and many other benefits.

# SHE CARES

Senior Marilyn Brown works approximately 15 hours per week at the Ridgewood Nursing Home. On the job for several months, Marilyn's duties consist of cooking and serving food to the elderly. Marilyn feels that the pay, for now, is adequate. She does pay into Social Security and is covered by Workman's Compensation. Some of the fringe benefits are that she gets her birthday and holidays off. Marilyn is pleased that she has the job, in light of the nation's economic situation. There is the possibility of Marilyn having full time employment after graduation.

### HANDS OFF THE SHRIMP!

Junior Joe Liquori works as a Busperson at Beefsteak Charlie's on Boston Road. Joe, who has been on the job since October, 1979, works approximately 20 hours per week. Although his salary is low, the tips are great. Joe is covered by Workman's Compensation, and he pays into the Social Security System. The best fringe benefit to Joe's job is that he gets free meals, but he is not allowed the more expensive items, such as steak and shrimp. For now, the job is fine but Joe has no desire to remain a Busperson after graduation.

#### SPIN THOSE DISCS!

Mr. Waters, a long term substitute teacher of the Black History classes, has a very interesting after school activity. For the last 2½ years, he has been a disc jockey for STCC's radio station, WTCC. Mr. Waters, a Springfield College graduate (B.S. 1978, M.ED. 1980), first became interested in radio announcing as an undergraduate 5½ years ago. Having free time, he filled in at Springfield College's WSCB. The rest is history. Mr. Waters does not get financial payment. However, he does receive passes to concerts, free records, T-shirts, and contacts in the music and record fields. Have any requests or dedications? Call Mr. Waters!

### RONALD'S FRIEND

Senior Michael Gendreau works at the Boston Road McDonald's. Mike's position as cook is quite a responsibility. A popular eating spot for young and old alike, Mike obviously must work quickly to provide for the masses. He also performs other tasks when help is not available (see photo). On the job for over a year, Mike works between 15 and 20 hours per week. Other than Workman's compensation and Social Security, an additional benefit from McDonald's is payment of 40¢ per hour towards the employee's food on work days. Mike sees no future employment at the restaurant after graduation. But for now, it's his kind of place!

# Nice Pipes!

"I always liked the pipes since I was a lad. Just before World War II an old Scotsman in Ludlow gave me an old practice charter to learn on. It was old and cracked and didn't work very well, so I didn't progress too far. Later on during the Korean War I got a brand new practice charter and a tutor and started teaching myself, much to the dismay of some of the officers in the first batallion, B.O.Q. A few years later, when out of the service, I started getting some formal teaching by the pipe major of the Holyoke Caledonian Kiltie Band. His only remuneration was that I play in his band; so I've been playing in the Holyoke Band ever since. The Holyoke Kiltie Band is quite a colorful group. It plays for parades, political gatherings, anniversaries, etc. It also plays in competition at some of the local Highland Games.

Senior Margaret Jones works as a Library Assistant at the Main Branch of the Springfield City Library. Her main function is to perform those tasks which would free the full time workers for more in depth business. The job consists of organizing and returning books, helping patrons use the copy machine, setting up the microfilm equipment (see photo), and other small but helpful activities. Margaret, who has been on the job since November of 1979, enjoys the 18-20 hours per week that she works. The job is interesting, she gains the additional knowledge in development of research skills and, best of all, there is the potential for permanent employment.

### Dot The I's

Anyone who has been fortunate to have Mr. Miller for a teacher knows that he writes the most beautiful passes this side of the Connecticut River. Mr. Miller began studying calligraphy (from the Greek "Beautiful Writing") approximately a year ago. Since then the life of this man has not been the same. At school he completed work for the Tech Toys For Tots, and miscellaneous projects. Outside of school, Mr. Miller has created beautiful work for his own enjoyment and for charity. Calligraphy has turned into a fun and rewarding activity for our man in 230.

#### BEING FRIENDLY

For Senior Tom Bloomingdale, being a chef at the Sumner Avenue Friendly Family Restaurant has been a good experience. "If I ever want to get a job as an experienced cook, I will have the experience which I have acquired from this restaurant." Tom, who has been on the job for over one year, works anywhere from 25 to 35 hours per week. Aside from making a good salary, Tom lists other benefits: can get off on almost any day requested; 30% discount on food eaten during work or ½ hour before and after work; work with fun people! Thomas Bloomingdale is enjoying himself!

# When Spann Speaks .....

By the looks of this photo, one would assume that senior Fred Spann was a V.I.P. in his spare time. Actually, Fred is at the job, but not on it. Fred is a custodian for several Medical Offices on Maple Street. Fred's dad, who works in this capacity part-time, got Fred involved at the age of seven. Knowing for so long what the job entails, Fred has managed to do the work in six hours every week. The one acknowledged benefit is free soda. However, Fred obviously makes himself at home when he thinks no one is looking. Fred does not pay into Social Security, nor is he covered by Workmen's Compensation. But the job involves just enough to give Fred a sense of worth and to gas up the Toyota.

# TRADING WITH TYKE!

Senior Dennis Brown spends 24 hours per week at his job at the Bay State West Orange Julius. Dennis works as a cook, cashier and clean up person-whatever has to be done, he does. On the job for one year, Dennis is allowed certain benefits. He can eat for free, and he is given vacation time. Covered by Workmen's Compensation and Social Security, Dennis feels that he has ample benefits, However, he does feel that there is no potential for permanent employment. For now, though, Dennis is satisfied.

### **MOVIE BUFF**

Junior Deborah Griffin makes popcorn while the moon shines- at least when she's on the job at the Cinema X. Debbie, who has been at the theater for over one year, truly enjoys the work. For the brief time that she works selling tickets or food at the concession stand, she is able to spend the remainder of the time watching the movies. Debbie works 12 hours a week at minimum wages. Although a temporary position, Debbie is going to make the most of it.

# SPEAKING UP!

You know those essay contests that your English teachers are always pushing? Some of them pay off! Ask John Lamontagne, a senior here at Tech. He will be \$100 richer as a result of an essay that he wrote. In the Fall, John's English teacher, Mr. Shea, mentioned the VOICE OF DEMOCRACY contest sponsored by the Veterans of Foreign Wars based on the theme, 'My Commitment to My Country.' Several students, including John, submitted essays to English Department Chairperson, Ms. Hallen, whose committee selected the winners. On the basis of content and coherence, John Lamontagne placed first, with senior Adolfo Cortez coming in second and sophomore Christopher Desasso placing third.

The next step was taping the essay. Mr. Edward Herzog, V.F.W. contest chairman, took John to Channel 40 with the prize winning entry where John made a tape to be entered in the district contest. In the district, John's entry placed third in a field of 18.

On January 10, 1981 John and his parents were invited to a gala V.F.W. Awards Banquet where John received a special commendation. He will be given his one hundred dollar prize at the Awards Assembly at Tech in May, where Adolfo and Chris will also receive their prizes, of \$25 each.

This is John's award winning speech:

My Commitment to My Country

Since this nation began, Americans have believed effort was by itself a reward. Americans have believed, and still do, that every problem has an answer and that good intentions guarantee good results. However, what this country does in the next years will greatly affect how we succeed in the future. My commitment to this belief requires that I become well educated and help educate others so that they will realize what this country must stand for in the future to come. This country's influence will be seen and judged by the world. In this judgement, our constancy and subconfidence will be put to a severe test. Our foreign policy will mean very little if other countrie, see our actions as sporadic initiatives reflecting an illogical purpose. In the same way as this country, I must set a good example for people I don't know as well as ones I do. People must recognize that either side of a dispute is going to be willing to give up on a conference table what it fought and lost men over on a battle field. The best possible agreements must be those in which everyone takes part in maintaining. Therefore, no one is going to be forced into political settlement that will lead to their destruction. The problem of destruction is novel in the military actions and policies. The military has been, in the past, asked to be ready for war and have done so. Military use is a stringent means of peace keeping, but in some cases is the only alternative. Because of my beliefs, my commitment to this country has me willing and ready to join the armed services in hopes of becoming more disciplined as a part of the peace keeping force known world over. By becoming part of this peace keeping force, I feel that I can somewhat fulfill my obligations to the country that has nurtured me and provided my freedom. At the same time, I can help people realize the different situations between countries and how they could have been prevented. I feel that I must act as a conscience by pointing out right from wrong. But even more important, I feel I must conduct myself as a model for the younger people to follow in hopes that they will become aware of the obligations and responsibilities that some people unfortunately neglect.

We see eutopia as a road of righteousness and the true destination of us all. To reach this place of righteousness, we as a country must reach out to friend and foe, to draw this world together in peace. I feel that in order to get people to listen to me, I must keep myself inside these boundaries that I have spoken about, for not only myself, but this country as well. I must set a good example for other people not only Americans but all the countries of the world to follow. Wherever our grudges may be, we must relic to the prospect of building not a continented peace but a complete world responsible for its human rights and freedom. I see myself participating in a role as a model for those who are younger and as a conscience for the adult world. I must not merely preach what I believe, I

must live by it. This is my commitment to my country.

# MRS. B. GOES TO WASHINGTON

Mrs. Barend, a Mathematics teacher here at Tech, was invited to the Inauguration of President Ronald Reagan. She and her husband were invited through personal relationships. Accompanying them were two Tech graduates, Pual Tyburski and Debra Lloyd. When asked how she felt about the trip, she said, "I thought it was quite interesting." She told us of her schedule, which included attending the Monday night inaugural gala. The Master of Ceremonies that evening was television celebrity Johnny Carson.

# BOX SEATS

Box Seats are located on the Ballroom floor and on the balcony levels. Hosts and Hostesses are available to help you locate your box.

### HOSPITALITY BOOTHS

Questions you may have can be answered by stopping by the hospitality booths located on the lobby level opposite the cashier and at the Convention Registration desk.

#### FAVORS

Favors will be distributed to all guests from two locations from 10~p.m. throughout the evening. One booth will be located at the Convention desk, Ballroom Level, and another on the Convention Hall Entrance Level outside the catering office.

#### REFRESHMENTS

Bars are located throughout both levels, both in and out of the Ballroom. Drinks are sold by ticket.

# MEDICAL FACILITIES

Emergency medical facilities are located in the Rockville Room on Ballroom Level and in Warren Room on Convention Hall Entrance Level.

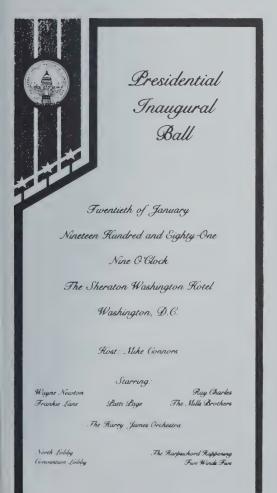

#### HANDICAPPED

Provisions for handicapped persons are available at all hotel entrances. Elevators may be used between floors.

### SHUTTLE BUS SERVICE

The shuttle bus service will operate beginning at 7:30 p.m. from the National Zoo parking area to the hotel and back, via 24th Street.

WILL-CALL TRANSPORTATION
This service is located to the right and left sides of the Convention Hall Doors.

# Reflections Of A Tech Grad

Mr. Biscaldi, Class of January, 1941

While a student at Tech, Mr. Biscaldi was a three year member of the Football team, where he played the position of right end. He was also a 2 year member of the Wrestling team.

Mr. Wright, Class of 1942

In recalling some differences since 39 years have passed, our Principal recalls no noticeable unruly behavior. The faculty was made up of the strictest of disciplinarians. Mr. Wright mentioned that there were no parking problems since students then did not use cars for school transportation.

Mr. Forgue, Class of 1946

When Mr. Forgue attended Tech, the student enrollment was over 2,000. Tech was known to be one of the top technical high schools in the country. The school especially was noted for its Math and Science programs. Sports were big back then. There was a sell-out for every game. Mr. Forgue also said that students were better disciplined.

Mr. Combs. Class of 1947

His old homeroom is now the Library, but other than that, Mr. Combs remembers few things as being different. There were more mechanical drawing rooms which are now academic classrooms. Some subjects, such as Math, were quite different compared to the modern approaches to the same material. There were more faculty members. Students didn't have to raise money for projects like they do today. (Editor's Note: That's when students paid their dues!) There was a dress code, so the student of 1947 is catagorized by Mr. Combs as having been neater.

Mr. Setian, Class of 1953

"Tech was a three year school. There were about 2,300 students enrolled. The school spirit enhanced school activities, and there were many clubs and activities!" According to Mr. Setian, we still have some of the same problems now that students had then, such as the parking problem. However, there was much less vandalism and destruction of other people's property. Students were concerned much more about their grades.

Mr. Grimaldi, Class of 1956

"Tech was a school of which all of its students were proud. We excelled in athletics and academic achievements. There were science fairs and variety shows. A great number of students were attending Tech from surrounding communities, and there was a greater rivalry among students for academic achievement. There was less tardiness, absenteeism, scholastic failure and discipline problems. There was respect for teachers, property and individual rights."

Mr. Follett, Class of 1958

Mr. Follett was a member of the Football team and is pleased to add that ne

paid his Class dues. What was Tech like then? "Great!!! Kids were well behaved, would not **DARE** to talk back to a teacher. Absentee bulletins were short, maybe having 10 names on them. For the most part, everyone was here to get an education. You were expected to do homework, and you did it."

# Mr. Wallace, Class of 1960

"Tech was a much larger school in 1960 with over 2,000 students. We only had two lunch periods, and eating in the allowed time was a problem. The absent list was much shorter in 1960, and it seems to me that there was a lot more to do in school like clubs and Talent Shows. All major sports events, like Basketball, Football and Hockey events were sell-outs. Fewer students had jobs, so we had time to go to all the games. This made for a closer student body."

#### Mr. Melikian, Class of 1961

There were absolutely no behavior problems at any of these school events. While the student of today is boggled trying to remember what room to report to for detention, the student of 1961 had no such problem-there was only one room. As for people always being in the hallways during classes, no such thing occurred then. There were over 2,000 students attending Tech at the time. The absentee list was about 1/3 of what it is now. Hardly anyone flunked, what was especially good was that if you wanted to attend a college, and you said that you attended Tech, you were accepted. Tech was a highly accredited high school.

# Mrs. Metzidakis, Class of 1968

"Tech was much different then. Students would pass from class to class in three minutes, with pencils in hand and seated when the bell rang. I never head the word 'detention' mentioned in the three years that I was here. If students had detention, they were probably too ashamed to mention it. Although every class had a clown or two, they knew when to stop and get down to work. There were no extreme classroom disciplinary problems. Parents instilled the belief that an education was necessary in order to get ahead. Since education was considered to be a privilege rather than a right, students set their goals high and met challenges."

## Mr. Kiah, Class of 1969

"Tech was nothing like it is today. There were more students. People had much more pride in academic and athletic achievements. It hurts to see conditions as they are now, when one experienced a much better situation as a student then. There should be a new school, to rebuild our image and spirit." While at Tech, Mr. Kiah participated in Varsity Soccer, Hockey, Baseball and Student Patrol. He was also the Sports Editor for TECH NEWS. He was popular and active. And in three years, he only missed one day which, by his own admission, happened because he skipped!!!

# WARNER ACHIEVEMENT MEDALISTS

The Charles F. Warner Achievement Medal is awarded each year to the Senior Girl and boy who exemplify the highest achievements in school citizenship, service, scholarship and character. The award has been presented annually since June, 1927 in honor of the first Principal of Technical High School.

Dawn Kinnear

Dawn Kinnear, daughter of Mr. and Mrs. John D. Kinnear of 69 Rochelle Street is one of the recipients. Dawn ranks second of the 248 members of her class and has been very active in school affairs. A four year member of the ROTC program, Dawn participated during all four years in the Drill Team. During her sophomore, junior and senior years, she was a member of the Mathletes. Dawn also served on the Student Council in her junior year. Outside of school, Dawn is active in horseback riding and softball. She also designs house sketches and is a volunteer in a local hospital.

Dawn has been accepted at Rensselear Polytecnic Institute.

Scott Sanderson

Scott Sanderson, son of Mr. and Mrs. Gerald B. Sanderson of 54 Wildwood Avenue is the male recipient. A two year member of the National Honor Society, Scott ranks first in his class. An avid runner, Scott pursued this interest by participating in Spring Track for four years, and in Winter Track and Cross Country during his sophomore, junior and senior years. Scott was also this year's recipient of the soccer team's Most Valuable Player Award. Scott was a member of the Student Council in his junior year, and was a school store aide in grade 10.

With interests in Electronics and Architectual Drawing, Scott has applied to the U.S. Coast Guard Academy.

The Staff and Students of Technical High School extend congratulations to Dawn and Scott as the 1981 winners of this great honor.

### CLASS WILL

We, the Senior Class of 1981, being of sound mind and/or body do hereby declare this document to be our last Will and Testament.

Mr. Watson's 7th period Drama leaves him a quieter class.

Sheila Prevost leaves Mr. Wright saying "I'll be on time tomorrow."

Deona leaves Liz and Maria thinking they know something about trig.

Carol Youmans leaves Tech High wondering what happened to all the Tech Tiger spirit.

Cathy and Gary leave together; also, Deona, Asilla and Jannell; also Mike and Barb; also Antoinette and Tony; and Carol and Michael; and Lisa and Tom; and Bethel and Greg; and —

Silesia Whetstone leaves Sgt. Palmer saying "Let's go, Baby."

Maria G. leaves Tony B. good memories and a warm heart.

Dawn leaves Mrs. Howard in a good mood.

The Class of '81 leaves Mr. Dutkiewicz pacing the halls ... searching for passes.

Deona leaves Jannell all the men in Tech, hoping she'll settle down one day.

Sandra, Elizabeth, Aida leave Tech still surprised at how the high school years went by when they thought graduation would never get here.

Mr. McGrath's trig classes leave saying, "Oh no, not homework on the week-end."

Deona leaves Fred Spann hoping everyone doesn't ask him to take their pictures at the same time.

Josee leaves to go to Danny.

Mr. Comer's advanced biology class 5 & 6 B day leaves cheat notes for next year's class.

Elizabeth, Aida, Sandra leave Tech with good memories.

Kendra leaves Ms. Mushok 5 extra hours to give to some new freshman on the first day of school.

Sharron leaves Mr. Grace with extra time on his hands.

Yvette leaves Maria G. and Al W. fighting and Marilyn B. still flirting.

Asilla leaves Tech's silly rules behind.

The girls on the second floor after 2nd period leave undergraduates a smokey bathroom.

Darlene Drummond leaves by the skin of her teeth.

Mrs. Heyl's homeroom girls leave her needing a permanent 100 dots in the blank absentee notes.

Kendra leaves a 2-hour tape to Mr. Miller who was the only one who loved to hear her talk.

Sharron leaves two dozen hangers, three tires and one muffler to any person who has car trouble next year.

W. C. Hyde leaves to Mr. Sullivan those amazing pass catching hands and crazy leg actions that always came up with a TD; and to Mr. Dutkiewicz he leaves his worn-out track shoes and aching feet.

Ardnek leaves with her bowling shoes.

Barbara M. leaves with a big smile.

Tom Brown leaves Tech knowing nothing.

Tony M. leaves screaming down halls "Cat Scratch Fever."

Class of '81 leaves burnt out but will never fade away.

Homeroom 118 leaves saying "You're a great teacher, Ms. Budd."

Dave Winn leaves with his braces off.

Class of '81 leaves in a puff of smoke.

Class of '81 leaves the church for next year's seniors.

Sharron P. leaves addicted to Tab.

Maria, Jannell, Sandra leave ROTC after four good years together.

Deona leaves Ms. Hallen as her favorite teacher.

Mr. Hough's senior electronics class leaves singing "Row, row, row your boat."

Mike Gendreau leaves Mr. Wallace his sanity and peace and the saying, "I will come over this desk at you in one second."

Sam Robinson leaves Mr. Dutkiewicz wondering who will talk about his ears for the next three years.

Cindy Quinn leaves Tech looking like Laura Webber Baldwin.

Bethel Greene leaves Tech with her diploma.

Debbie Gebo leaves Tech saying, "I got it, Mom, Denise."

Deona leaves Craig Holmes and Jurkowski always asking for candy.

Yvette B. leaves Peaches C coming in late or not coming at all; and Maria G looking at Greg T from her English class.

Ralph Glidden leaves Tech roaring out of the teachers' parking lot with his brand new Volkswagen.

All seniors leave Tech saying "We all graduated from Tech 10 years ago."

Candy Bohn leaves Tech saying nothing.

Lynda Labbe leaves Tech saying to Kevin "I got my diploma. No more getting up in the morning. I CAN SLEEP."

Yvette B and Maria G leave Mr. Shea's English class passing ...

Deona leaves Mr. Dunn and his dog BOO.

Fernando Tereso leaves Tech taking along his "dirty" magazines.

Class of '81 leaves Susan Kitt empty handed.

Eve and Wayne leave with a worn-out mark in the floor in the corner outside of 314.

Pretz and Ardnek leave in trouble - together.

Seniors leave Lido's for next year's business.

Brian Hinds leaves Mr. Boylan saying "Eat your lunch outside."

Beth and Dianne leave Kathy behind; Dianne leaves dreaming of Kenny.

Margon, Ricky Ward and Ed Whitley leave Todd Chapin a machine named Harold.

Carl Marangoudakis leaves wishing Bob Feinstein to live and be well.

Mark Jordan and Carl M. leave Tech a mess.

Ron Greer leaves Tech sleeping.

Cathy Choiniere leaves Tech with sprained fingers from typing.

John Lamontagne leaves Tech and his brother with the goal post at Van Horn to dive into.

Ron Asta-Ferrero leaves Tech wishing that Darlene Arena was a senior this year.

John Peloquin leaves Mr. Peabody to cope with his brother.

Ron Asta-Ferrero and John Lamontagne leave Mr. Dunn with a flame flickering at homeplate.

Senior soccer players leave Mr. Burns wondering what kind of team he will have next year.

John Lamontagne and the football team leave arguing.

Dee Dee Menard leaves hoping she won't see Mrs. Mushok ever again; and still with detention due.

Betty Tarantino leaves not worrying about Cindy Quinn losing the locker keys any more.

Sue leaves in a Michelob truck.

Cindy Quinn leaves still forgetting her locker keys.

The Class of '81 leaves heading for Meldrum's.

Sue Bowler leaves having Betty open her locker for her.

The Class of '81 leaves Mrs. Barone still talking to herself.

We all leave remembering the good and bad times we had.

Sue and Betty leave never looking back.

Carl and Tom leave Tech getting kicked out of electronics.

Mike Wright leaves Tech without Karen; and driving like a maniac.

The seniors of the Drama Class leave Mr. Watson saying "I wish you wouldn't leave." and with another successful show.

Aida Cintron leaves Tech wishing her classmates the best of luck.

Kevin Johnson leaves Tech still trying to get Aida.

Yvette B. leaves Sam R. trying to get out of Mr. McGrath's math class.

Penny leaves Steve to Patty Voight.

Chris and Kris leave their latest book 1000 and 1 places to go when you skip.

Mark Schunk leaves a dozen broken drum sticks in locker #1591; and leaves to be a rock star.

Jeffrey Hardy leaves Tech still hoping that the football team will one day win a game.

Karen Eady leaves psychology class calling Mr. Miller "Roland".

Marilyn and Lisa leave Tech knowing they're never going to be quiet.

Aida and Liz leave someone else to carry on the cheering pep squad for the basketball games.

Maria leaves her cousin Mimi to continue dressing serious.

Sandra and Maria leave the best of friends with almost the same future plans.

Debbie Gebo leaves Col. Potter with the best of luck.

Maria leaves wondering why so many think she and Jannell are twins.

Lisa Lewis leaves as Tech's best singer.

Deona, Maria and Elizabeth leave Mr. Jones as the best dressed and handsomest teacher.

Twanda leaves Tech yelling at the cheerleaders.

Asilla leaves Maria Rivera the entire Tech salad bar.

The Class of '81 leaves everybody not wanting us to leave.

Tom Bloomingdale leaves Tech smiling and very silent.

Eileen Jones leaves Tech happy as a pea in a pod with her hands on her diploma.

Eve and Dawn Gibson leave Tech saying, "What a relief".

Barbara Gilbert leaves Tech kissing Mike Dudek under a tree.

Heather Wiley leaves Tech bouncing down the hallways.

Jay Bryant leaves for the Navy.

The seniors of Student Council leave Mrs. Barend totally disoriented.

Debbie Gebo, Lynda Labbe and Candace Bohn leave Mr. Mason to mess up his grade books by himself.

Allison Young leaves telling everyone to mind his own business.

Carmen Mendoza leaves the teachers wondering if the cat got her tongue.

Scott Sanderson leaves to Mr. Dutkiewicz his book of 101 reasons not to practice. Ardnek and Bethel leave Mr. Melikian saying, "I'm gonna have to send you to Mrs. Mushok."

The Class of '81 leaves with a new president — Ronald Reagan.

The Class of '81 leaves Mr. Wright 2 dozen boxes of throat lozenges to clear his throat.

Honors Science 12 leaves Mr. Snow still trying to get his coffee from Mr. Pieciak.

Kris and Dawn leave Mr. Follett with a last place math team but the best of wishes for next year.

Dena leaves Mr. DeBonis with new headaches to come.

325B-day leaves the whipped cream fights to Mrs. O'Brien's next year's class.

We leave Orlando alone.

Angela leaves wondering where the next party will be.

Kendra leaves without even going to school.

Sue Merchant leaves saying, "Want to go in late?"

Mr. Thornton's third period leave him saying, "Hey, My Dear".

Tyrone Richardson leaves "Begging".

Carol Youmans leaves asking for senior class pictures.

Kris Drzal leaves quickly.

Angela leaves Mr. Comer's biology class saying "Eehh! It moved!"

Barbara Popowski leaves searching for her rich doctor.

Lori leaves Buzzy behind, waiting to catch up.

Tom Boyer leaves too tall for his car.

Dorothea Rucks leaves Tech really happy.

Dena Facchini leaves still talking on the phone.

Sue leaves to go to Leo.

The Class of '81 leaves this will to look back on and remember the "good 'ole days", knowing we are the best class there ever was and ever will be.
